

Play for All

at Raab Park

Play for All at Raab Park is a community effort to build a fully inclusive playground in North Kitsap County. This is a project of the Poulsbo Rotary Club, operating in partnership with a citizen steering committee and the City of Poulsbo Parks and Rec Department. All donations are managed through a fund at the Kitsap Community Foundation.

Play

All
at Raab Park

We continue to be grateful for gifts from community members in 2020. Your support is so important to the success of this project!

Play for All participated in the **Kitsap Great Give** in April. We are thrilled to announce that we received \$6,396.21 in donations including the sponsor match. Even during this difficult time for the community, caring individuals and the Poulsbo Rotary Club helped to make the Great Give a success.

Because of the COVID-19 pandemic and its negative effect on the economy, we have felt that this is not the right time to reach out to businesses and individuals within the community for additional donations. However, our committee is continuing its efforts in applying for state and federal grants to help fund this project. We are hopeful that we will have some good news on that front in the near future.

In addition, we decided to **postpone our Have A Heart Day** which was rescheduled for September. We hope to have this event sometime next spring when people are hopefully more comfortable being in groups. We are excited to have the community walk in the footprints of the playground design at Raab Park at that time.

Many thanks once again to our design team of Susan Murray and Aaron Murphy for their generous contributions of time and talent. View the current [playground design](#) here.

QUESTION

Are you part of a group that would like to learn more about this project? We'd be happy to attend your gathering and tell you all about it!
